BRIEFLY ABOUT ME:

I came to Sweden as a student in 1975.

After the education, I worked for two years at the Swedish standardization commission and then in the eighties started my own company in the graphic industry and had my own offset printing company for over 35 years in Stockholm. In 1993, Esteka Consulting started, which is now called Kandu Sweden Business AB.

2017-2019 I had a Lunch restaurant in Bromma, Stockholm.
